## 1. INTRODUCTION

The Promotion of Access to Information Act, 2 of 2000 (“PAIA”) was enacted on 3 February 2000. The purpose of the legislation is to give effect to the constitutional right of access to information held by any private or public body that is required for the exercise or protection of any rights.

Where a request is made in terms of PAIA, the body to which the request is made is obliged to release the information, except where PAIA or other legislation expressly provides that the information may or must not be released.

As a private body defined in PAIA, Simeka is required to compile a manual to provide a reference as to the records held and the process which needs to be followed to access such records.

This manual is intended to foster a culture of transparency, accountability and good governance, by giving effect to the right to information that is required for the exercise or protection of any right and to actively promote a society in which the people of South Africa have effective access to information to enable them to more fully exercise and protect their rights.

#### 5. HOW TO ACCESS RECORDS HELD BY SIMEKA

A **requester** is any person making a request for access to a record of the Simeka. There are two types of requesters, a personal requester and other requesters and the process that needs to be followed by the two types of requesters differ. It is as follows:

##### **PERSONAL REQUESTER**

A personal requester is a requester who is seeking access to a record containing personal information about themselves.

**All the member's information pertaining to Simeka is available to him/her upon request, as well as:**

- Simeka certificate of registration
- Financial statements of Simeka (latest revenue account and balance sheet)
- The last statutory valuation of Simeka (unless Simeka is valuation exempt)
- Policy documents relating to fidelity cover and risk cover (death, disability benefits and funeral cover)

##### **Procedure to obtain this information and/or records from Simeka**

The information can be obtained in one of the following ways:

- By writing a letter or sending an email or fax (if any) to Simeka; or
- By accessing Simeka's website.

Simeka will voluntarily provide the requested information or give access to any record with regard to the requester's personal information. No fees will be charged in respect of information relating to the personal requester (member). A fee may be payable for copies of the information as listed hereunder.

##### **OTHER REQUESTER (THIRD PARTY)**

This requester (someone other than a Simeka member) is entitled to request access to information on third parties. However, Simeka is not obliged to voluntarily grant access. The requester must fulfill the prerequisite requirements for access in terms of PAIA by completing the request form and paying the fee.

#### **RECORDS HELD BY THE SIMEKA WHICH MUST BE FORMALLY REQUESTED VIA THE PAIA REQUEST FORM BEFORE THE INFORMATION IS SUPPLIED TO A MEMBER AND/OR A THIRD PARTY (UNLESS THE RECORDS PERTAINS TO THE PERSONAL INFORMATION OF A PERSONAL REQUESTER)**

These records include, but are not limited to, the records which pertain to Simeka's own affairs.

### **Other Records**

- Simeka may possess records pertaining to other parties, including without limitation contractors, suppliers, subsidiary/holding/sister companies and service providers. Alternatively, such other parties may possess records that can be said to belong to Simeka;
- Personnel, client and other records relating to Simeka which are held by another party, as opposed to the records held by Simeka; and
- Records held by Simeka pertaining to other parties, including without limitation, financial records, correspondence, contractual records, records provided by the other party, and records third parties have provided about the contractors/suppliers.

### **Request procedure**

- The requester must use the prescribed form in terms of PAIA and submit it to the Simeka. This request must be made to the Information Officer of the Simeka. The Information Officer must assist any requester with his or her request for information if necessary and assist with completion of the request form if the requester is disabled or illiterate.
- The requester must provide sufficient detail on the request form to enable Simeka to identify the record and the requester. The requester should also indicate which form of access is required (for instance if the requester is blind, the access will not be via email).
- The requester must identify the right that is sought to be exercised or to be protected and provide an explanation of why the requested record is required for the exercise or protection of that right.
- If a request is made on behalf of another person, the requester must submit proof of the capacity in which the requester is making the request to the satisfaction of Simeka.

## **6. FEES**

- 6.1 PAIA provides for two types of fees namely:
  - 6.1.1 A request fee, which will be a standard fee; and
  - 6.1.2 An access fee, which must be calculated by taking into account reproduction costs, search and preparation time and cost, as well as postal costs.
- 6.2 When the request is received by Information Officer, he/she will by notice require the requester, other than a personal requester, to pay the prescribed request fee (if any), before further processing of the request.
- 6.3 If the search for the record has been made and the preparation of the record for disclosure, including arrangement to make it available in the requested form, requires more than the 6 (six) hours prescribed in the regulations for this purpose, the Information Officer will notify the requester on the official form to pay as a deposit the prescribed portion of the access fee which would be payable if the request is granted. (No more than a 1/3)
- 6.4 Information Officer will withhold a record until the requester has paid the fees as prescribed.
- 6.5 A requester whose request for access to a record has been granted, must pay an access fee as listed in Annexure to the PAIA Regulations for reproduction and for search and preparation, and for any time reasonably required in excess of the prescribed hours to search for and prepare the record for disclosure including making arrangements to make it available in the request form.
- 6.6 If a deposit has been paid in respect of a request for access, which is refused, then the Information Officer must repay the deposit to the requester.

## 7. DECISION

- 7.1 The Information Officer must, within 30 days of receipt of the request, decide whether to grant or decline the request and give notice with reasons (if required) to that effect on the official form.
- 7.2 The 30-day period within which Information Officer has to decide whether to grant or refuse the request, may be extended for a further period of not more than 30 days if the request is for a large number of information, or the request requires a search for information and the information cannot reasonably be obtained within the original 30 day-period. The Information Officer will notify the requester in writing should an extension be sought.

## 8. GROUNDS FOR REFUSAL OF ACCESS TO RECORDS

The main grounds for the Information Officer to refuse a request for information relates to the –

- 8.1 mandatory protection of the privacy of a third party who is a natural person, which would involve a contravention of the provisions of the Protection of Personal Information Act or such other legislation as may become applicable to the protection of personal information in South Africa;
- 8.2 mandatory protection of the commercial information of a third party, if the record contains:
  - 8.2.1 trade secrets of that third party;
  - 8.2.2 financial, commercial, scientific or technical information which disclosure could likely cause harm to the financial or commercial interests of that third party;
  - 8.2.3 information disclosed in confidence by a third party to Simeka, if the disclosure could put that third party at a disadvantage in negotiations or commercial competition;
  - 8.2.4 if the information results in a contravention of the Protection of Personal Information Act or such other legislation as may become applicable to the protection of personal information in South Africa;
- 8.3 mandatory protection of confidential information of third parties if it is protected in terms of any agreement;
- 8.4 mandatory protection of the safety of individuals and the protection of property;
- 8.5 mandatory protection of records which would be regarded as privileged in legal proceedings;  
and
- 8.6 financial activities of Simeka.

Requests for information that are clearly frivolous or vexatious, or which involve an unreasonable diversion of resources, will be refused.

Should, after a diligent search, the record requested not be found, the Information Officer will by way of affidavit give notification that it is not possible to give access to that record.
